DECLARATION OF CONFORMITY

WEEE

kolb cleaning systems so far are all WEEE compliant, as they fall under the exceptions described in article 2 of the direction.

kolb electronic cleaning systems are covered by the exemption as so-called „large-scale fixed equipment“, which is defined as a large-scale combination of several types of devices and, where applicable, other appliances, which are mounted, installed and dismantled by skilled personnel and is intended to be operated permanently at a predefined location and predetermined location and can only be replaced by the same specially designed equipment.
